## Saxon phonics kindergarten sight word list

Our Phonics program This is the third year that our kindergarten program used Phonics Sassoni. Through this program, our students develop phonemic awareness, letter and recognition of letter and letter sound, and recognition of the word of view. Every week there are four lessons that focus on a letter. The sequence is: l, o, g, h, t, p, a, n, m, i, s, f, r, k, b, u, z, c, e, y, d, v, j, x, w, qu We study a letter Monday - Thursday and Friday I give students an evaluation. Every day your child will bring home a worksheet we have completed in class related to the letter. After studying four or five letters, we use those letters to build words to play. For example l, o, g, h, t, - log, hog, tot, hot, lot, got... Once we start building words, I send home a list of words (Monday) for my students to play. The word list sheet is called. When the child takes him home, please help your child like him/her practices by playing the word. We'll pass them into class, but your son will need a follow-up practice. The Saxon Phonics Program is successful because it continually reviews concepts previously taught as new concepts teach. Your child will learn about consonants, vowels, phonic rules, composite words, syllables, graphs, combinations of letters and consonants twins. We enjoyed the use of Phonics Sassoni in my class, offers opportunities for each student, no matter what their previous background knowledge was.
